WHAT IS A MINI-FAIR?

When you need help or information about adoption and foster care focused professional services, in particular post adoption services, one of the biggest challenges is identifying who in town provides these services!

The COFAF 2nd Annual Mini-Fair is a unique opportunity to listen to and meet Columbus area professionals that understand the issues and have practices that are adoption and foster care focused. Professionals will briefly discuss their services and then be available for questions and individual conversations.

Join us and spread the word!
